FY2020 Proposed Budget  
August 30, 2019

**To:** Honorable City Council  
**From:** Denis Shortal, Mayor and Eric Linton, City Manager  
**Date:** August 30, 2019  
**Subject:** **Proposed Budget for the Fiscal Year Ending December 31, 2020**

We respectfully submit the following Fiscal Year (FY) 2020 Budget and Budget Message, constructed in accordance with Section 5.03(a) of the City of Dunwoody City Charter, and presented for review, examination and consideration by all residents and members of City Council.

The adoption of an annual budget is one of the most important actions taken by the City Council each year. Through strategic and careful funding allocation of resources, the proposed FY 2020 Budget is a balanced financial plan which equalizes anticipated revenues with proposed expenditures. Based on principles of cautious and fiscally pragmatic planning, the City proposes an unchanged millage rate of 2.740 mills to uphold and improve safety, infrastructure and quality of life for all citizens.

The FY 2020 Budget couples prioritized infrastructure investments with achievable growth initiatives and strategic service delivery. The City anticipates continued successful administration of finances to accurately balance requests along with requirements and promote the community-driven aspirations of responsible, dynamic, and achievable progress. This fiscally conservative approach to annual budgeting positions Dunwoody to optimally manage revenue growth, while leveraging assets and opportunities to best serve the interests of our citizens.

The City of Dunwoody is a community made up of numerous faiths, places of worship, nationalities, and races. With an appreciation for the city's varied and distinct community composition, the FY 2020 Budget was developed to help address and improve the quality of life for the entire Dunwoody community. As a community comprised of diverse individuals, families, and businesses, we encourage feedback and involvement from all throughout the budget development process to align our City's fiscal needs with prudent management and oversight and establish a collective vision for the future of the City of Dunwoody.

### FY 2020 Highlights

The primary emphasis of the FY 2020 Budget remains consistent with past strategy, concentrating on fundamental infrastructure improvements, paving and parks and is a direct response to community-identified needs and requests. The City has created a FY 2020 Budget list of key expenditures and improvements which focus on taking care of critical community assets and safety essentials as a means of delivering for the future.

This commitment can be found within the following overview of project and initiative disbursements:

The FY 2020 Budget maintains the City's original 2.74 millage rate. Dunwoody has the lowest overall tax rate of DeKalb County cities and is lower than unincorporated DeKalb. The City intends to monitor the tax rate in future years to hold position as the best value in DeKalb County while ensuring the City has adequate reserves and the ability to invest in infrastructure needs.

Based on policy set forth by City Council, the city maintains a fund balance projected to be at a level sufficient to provide a baseline four (4) month reserve balance and up to a stipulated maximum of a six month reserve. Council will be presented a budget amendment in October 2019 for FY 2019 in conjunction with the FY 2020 budget approval.

The FY 2020 Budget totals approximately \$39.5 million in revenues for all appropriated funds which excludes approximately \$2.6 million of interfund activity.

This list of key expenditures for 2020, while not a comprehensive catalogue of all enhancement

requests, highlights a fiscally conservative approach to funding allocation. The city remains focused on sustaining public safety levels, improving infrastructure, and promoting smart community development to improve the quality of life for all of Dunwoody's residents, businesses, and visitors.

- **Parks and Recreation: As Dunwoody develops into a mature city, parks services are expanding and this budget reflects that being a priority of the community with additional programmatic staff.**

- Installation of football field lights at Peachtree Charter Middle School. (\$125,000)
- Enhancing service levels for new park facilities and expansions (ball fields, restrooms, etc.). (\$413,010)
- Expanding staffing to program park opportunities for citizens, including one park operations coordinator and one part-time recreation programs leader. (\$142,924)

- **Police: Public safety is a core service of the City. With that in mind, this budget continues dedicating over 36% of General Fund resources to the Police Department.**

- Fully funding two additional sworn officers for the entire year. Previously, the department was allowed to overhire by two positions provided there were savings available internally. (\$109,000)
- Replacing various public safety computer equipment and vehicles through SPLOST. (\$494,319)
- Maintaining compensation for public safety officers by providing up to 3.1% pay increases. With 77 of 98 city employees being in the police department, over \$137,135 of funding for additional compensation in FY 2020, along with an additional \$48,261 for employees in other departments.

- **Public Works: The City is leveraging the sales tax (SPLOST) approved by its citizens to focus on road improvements and transportation.**

- 2020 Resurfacing. (\$3,180,681 to come from SPLOST and an additional \$487,045 from state funds for a total of \$3,667,726)
- Improve the Chamblee Dunwoody at Spalding Drive Intersection. (\$1,400,000)

- Install Peeler Road Sidewalk from Equestrian Way to Brook Run Park. (\$1,000,000); North Shallowford Sidewalk at Peeler Road. (\$150,000); Mt Vernon Place Sidewalks-Mt Vernon Road to Falkirk. (\$50,000)
  - Fund preliminary work on Westside Connector. (\$100,000)
  - Improve Mt Vernon Road Corridor from Corners Drive to Mt Vernon Place. (\$100,000)
  - Build Winters Chapel Multiuse Path - Dunwoody Club to Charmant. (\$100,000)
  - Install various traffic calming devices throughout city. (\$25,000)
- ***Finance & Admin (Finance, Facilities, Accounting, Revenue, Purchasing, HR, Marketing, Information Technology): These departments are support agencies for the front-facing departments***
    - Replace storage area network (\$95,000) and upgrade firewall (\$72,000).
    - Perform salary survey of existing positions (\$25,000).

### **FY 2020 Budget Process**

The City of Dunwoody has a robust budget process each and every year. FY 2020 is no exception. It started in July 2019 when revenues for the upcoming year were projected. Previous year's budget versus actuals were reviewed, along with year-to-date information for FY 2019. Finance staff examined every line of revenue for the city to arrive at a realistic, but conservative growth projection.

At this same time, each department was preparing their budget request for the upcoming year. They assembled their operating and capital request at the line-item level, identifying specific efforts and contractual obligations, as needed. Finance staff worked on projecting salaries for the FY 2020 year. During this same time frame, the City Manager's office, along with Human Resources and Finance staff, worked on scenarios concerning pay increases and benefit levels.

Once all budget requests were in, a working administrative group consisting of City Manager and Finance staff met with each department and reviewed every budget line item by line item. Department directors were encouraged to restructure their budgets internally to match real operations instead of merely carrying the same amount from year to year. Also, the budget was not thought of as incremental budgeting. Too many governments focus on what changed from year to year. The FY 2020 review process focused on what will be done this year to reduce typical budget creep. From this process, a balanced budget was created.

### **Overview of FY 2019 Accomplishments**

Dunwoody remains one of the premier locations in all of metro Atlanta and is a top choice for residential quality of life and business success. During 2019, Dunwoody retained its regional distinction as a flourishing location for business development, hospitality expansion and quality-of-life amenities. Now in its eleventh year as a city, Dunwoody has benefitted from moderate, evenhanded economic growth supported through steady financial and operational achievements.

When evaluated by measured returns per-capita, Dunwoody consistently equaled and sometimes outperformed adjacent, similar metro-Atlanta municipalities. The city's diverse revenue streams, excise taxes, business and occupation tax, and building permit revenues are at the core of its year-over-year proficiency. Dunwoody is a community-centric jurisdiction through active engagement and outreach, the city has responded to resident needs and desires for infrastructure improvements, safety, and programming through advantageous policy decisions of Mayor and City Council.

Improvements included important design updates to park amenities and facilities at Brook Run Park, the installation of sidewalk and pedestrian improvements, along with paving major corridors and neighborhood streets. In addition, the City initiated significant updates to building and design guidelines, and ordinances and geographic district guidelines to generate new investment and enrich the quality of retail and hospitality offerings within the community. The following list of select accomplishments underscores the City's commitment to upholding quality growth standards and improved assets:

### **Community Planning Efforts**

- Began rezoning hearing process for Roberts Drive development and Ravinia
- Passed Text Amendments to: amend plat procedure; allow hanging signs at entrance to neighborhoods; remove SLUP requirement for DRI; alter build-to-zone requirements for general building types in PC overlay districts; modify applicant initiated meeting requirements; define "street yard"; and change parking minimum requirements to parking maximum limits
- Held public meetings for Dunwoody Village Overlay update
- Submitted ARC Green Communities application for Gold Certification
- Scanned and linked in spreadsheet 70% of the City's zoning conditions, and mapped 25% of zoning entitlements – anticipating completion early 2020.
- Received Council approval of a major amendment of zoning to allow a 25,0440 square foot restaurant, 15,400 square foot retail, 20,000 square feet of restaurant, 5,411 square feet of convenience store, and 2,800 square feet of bank, located at 1250 Meadow Lane Road, and 500, 600, and 700 Ashwood Parkway
- Approved of the concept design of the AC Hotel and parking structure. The parking structure is nearing completion and hotel is scheduled to start late 2019.
- Completed the review and approval of a minor amendment to 244 Perimeter to allow 580 key hotel and office building
- Approved of LDP for two mall out parcel restaurants. The conceptual site plan for the Lazy Dog restaurant is currently under review.
- Implemented Citizen Engagement application for code enforcement complaints
- Configured online permit submittal and payment process

### **Public Works**

- Completed 21 lane miles of paving exceeding the goal of 16 lane miles and maintaining resurfacing program at a level that will result in neighborhood streets being repaved every 20 years
- Completed the Roberts Drive corridor improvements at the new Austin Elementary School
- Completed intersection improvements at Mount Vernon Road and Vermack Road
- Completed right of way acquisition and began utility relocation for the Georgetown Gateway project
- Completed the Dunwoody Intelligent Transportation System (ITS) signal communication project resulting in 56 of the city's 60 signals being directly connected to the city's traffic management center thus allowing adjustments of these 56 lights remotely from City Hall.

- Completed turn lane and pedestrian improvements on Meadow Lane Road
- Completed new sidewalk on Dunwoody Club Drive between Whitney Landing and Winters Chapel Road
- Repaired or replaced over 4,000 feet of stormwater pipe

### **Parks and Recreation**

- Began Construction of Brook Run Park Phase I. Construction anticipated to be completed in January of 2020
- Scheduled installation of new playground structure at Brook Run Park Baseball Fields in quarter four of 2019
- Increased Community Special Events by 46%
- Implemented Park Sponsorship and Outreach Program
- Began operations at the North Shallowford Annex in September of 2019

### **Public Safety/Police Department**

- Performed radio infrastructure testing which allowed the department to identify cost-effective methods of improving radio coverage within the City and thereby increasing officer efficiency, officer safety, and public service. This led to the purchase and implementation of Motorola portable/mobile radios for all officers.
- Implemented National Incident Based Reporting System (NIBRS) with <3% errors.
- Purchased and implemented a firearms simulator for our training program.
- Maintained certification standards of the new 6th Edition Standards of the Georgia Association of Chiefs of Police.

### **Economic Development**

- Held over 100 Business Retention and Expansion meetings with local Dunwoody Companies to create stronger relationships with our business community and engage them with our community partners.
- Expanded recruitment efforts to back fill the office space being vacated by State Farm as they relocate to Park Center. Announced over 200,000 square feet of new leases as of September, 2019.
- Began implementation of the CREATE Dunwoody Arts and Culture Master Plan through the formation of the CREATE Dunwoody non-profit and first public art installation.
- Extended our partnership with the city of Sandy Springs, Brookhaven and the Perimeter Community Improvement District to support joint marketing efforts for the Perimeter Market, included the three communities hosting a Familiarization Tour for State and Regional Project Managers.

- Marketing Partnerships
  - Coordinated the partnership between the City, Chamber and Discover Dunwoody to publish the Atlanta Business Chronicle's Dunwoody Market Report that included 12 articles focused on Dunwoody's economy, housing and lifestyle.
  - Worked with the Dunwoody and Sandy Springs Convention and Visitors Bureau to publish the "Central Perimeter Guide" highlighting the live, work, play assets of Dunwoody, Sandy Springs, and Brookhaven.
  - Coordinated a new Social Media campaign focused on the Dunwoody Restaurant industry.

### **City Clerk**

- Continued working with all departments to ensure records are purged and retained in compliance with the Local Government Retention Schedule.
- Conducted open records training for all City staff and worked with City Attorneys to coordinate training for all City board members.
- Worked directly with all department directors and with other municipalities to draft proposed revisions to the Georgia Local Government Retention Schedule.
- Performed all aspects of work related to the upcoming November 2019 General Election, including publication of all required ads, qualifying candidates for office, and receiving of all candidate filing records to ensure compliance with state law.

### **Finance and Administration**

- Implemented new Budget Software to be used for 2020 budget process
- Completed fiscal year 2018 audit process with zero findings
- Implemented paperless forms processing for budget amendment requests, hotel/motel and MVR excise tax, and personnel leave requests. Planning to continue with implementation including PD routing travel authorization requests and submission of W9 forms electronically.

### **Human Resources**

- Managed a transition to a new medical insurance carrier at a 6% savings to the City. The new carrier is providing better claims administration, better prescription coverage, and an improved service level for the City's employees.
- Scheduled and coordinated a series of financial presentations and individual meetings with the City's retirement broker and provided employees with access to a concierge service.
- Partnered with a new vendor to implement an applicant tracking system (ATS), which includes an online automated employment application for candidates to utilize. This new ATS will allow the City to source, qualify and hire top talent more quickly and efficiently.
- Provided all City employees with annual training on the City's harassment, discrimination and retaliation policies.
- Recruited for and filled 15 open positions (through August)"

### **Information Technology**

- Managed the technology infrastructure buildout for the new Annex. That project included installing new 10GB switches, a redundant firewall setup, and new wireless access point array, a new audio visual system for the training room, and redundant police department systems replication from City Hall.
- Maintained an SLA response rate of over 90% and an incident resolution rate of 100%.
- Managed the deployment of security camera systems on all the parks and Pernoшал trail.
- Deployed Axon in car and dash camera system and Cradlepoint communication devices on all patrol vehicles.

- Upgraded the communications on all the city parks with fiber lines back to City Hall.
- Enabled Public Works staff to edit the majority of assets from within Cityworks or through ArcGIS Online tools and apps. Notable additions from the previous year include Storm Water Assets and Street Light Inventory as well as determining driveway density for sidewalk and multi-use path feasibility.
- Enabled real-time mapping of Cityworks Work Orders visualized through an Operations Dashboard.
- Architected a process for the Planning and Zoning Department to improve record keeping of Zoning Cases and then embarked on mapping each case, currently focused on Re-zonings and SLUPS.

### **Municipal Court**

## **Strategic Goals: Fostering Standards of Excellence & Achievement**

The city has established itself over a decade as a vibrant, secure and prosperous community. Over the coming year, it will be important for Dunwoody to practice sustainable financial management to achieve continued advancement and uphold standards of excellence which will be an integral part of future success. Dunwoody can promote strategic improvements while also nurturing long-term financial health through the implementation of the proposed FY 2020 Budget which establishes resourceful investment in the community along with long-lasting park amenities, core infrastructure maintenance and public safety augmentation. The requests and department-specific proposals contained in the FY2020 Budget reflect community-sourced desires, plans, and capital enhancements characteristic of fostering standards of excellence and achievement for a successful city.

- **Maintain High Standards of Safety, Service and Protection**

The Dunwoody Police Department has remained one of the most highly respected and valued departments in the area. The department's continued community relationships, lasting admiration and success depend on keeping a professionally trained and supported staff. Nationwide, public awareness and scrutiny of law enforcement and security operations have made headlines and social media feeds yet the city's police officers continue to garner the respect and admiration of the community. Part of the Special Purpose Local Options Sales Tax (SPLOST), which DeKalb County voters approved in 2017, includes funds for select communications network improvements related to police services as well as funds for police vehicle replacements. As part of advancing the high standards set in past years, the Police Department remains committed to recruitment and hiring to ensure personnel is in place when absences and vacancies exist and continued support for important community programs including CPR Classes, Civilian Response to Active Shooter Events (CRASE), Citizen's Police Academy and Citizen's Patrol, situational awareness, and reaching out to Dunwoody schools and organizations.

- **Advance Infrastructure Enhancements, Address Mobility and Access**

With the completion of recent improvement projects such as the North Peachtree/Tilly Mill/Peeler Road intersection and the Mount Vernon Road and Vermack Road/Manhasset Drive, the city is tackling problem choke points on major roadways to ease congestion and help mitigate traffic backups. This approach is echoed in the FY 2020 Budget which contains a dedicated \$3.7 million to address paving and resurfacing of city streets to reach the high water mark of paving more than 64 percent of the roads in the city limits since the city's incorporation. With a goal of maintaining the work output and accomplishments of the first decade of cityhood, the FY2020 Budget also includes funding for several future accessibility improvements such as Chamblee Dunwoody at Spalding Drive, and Peeler Road Sidewalks.

- **Continue Park Enhancements and Programming Expansions**

Over the past several years and budget cycles, the city has concentrated large investments and operations maintenance efforts to support new parks, amenities and programming of the parks and recreation offerings for the community. The FY 2020 Budget concentrates resources on maintaining and supporting existing park facilities and programs after extended development of highly utilized new park spaces (Pernoshal Park, Dunwoody Trail Network expansions, improvements at the Dunwoody Nature Center, construction at Brook Run Park, and other facilities). The FY 2020 Budget includes several key capital projects to help put finishing touches on the newly acquired park land adjacent to Brook Run Park and funds are allocated towards construction of the playgrounds at Ball Fields at Brook Run Park and the construction of the fieldhouse at the football fields next to Peachtree Charter Middle School. Construction activities have begun on the Brook Run Park Phase I improvements which have been funded through 2018 budget allocations. The city continues efforts to maintain quality programming at all facilities and support cooperative endeavors with core groups and nonprofit organizations, including but not limited to the Dunwoody Preservation Trust, Dunwoody Nature Center, Spruill Center for the Arts, and Stage Door Players. Finally, the proposed budget's capstone for parks is the expansion of contracted staff by 2.5 dedicated to programming efforts.

## Future Challenges

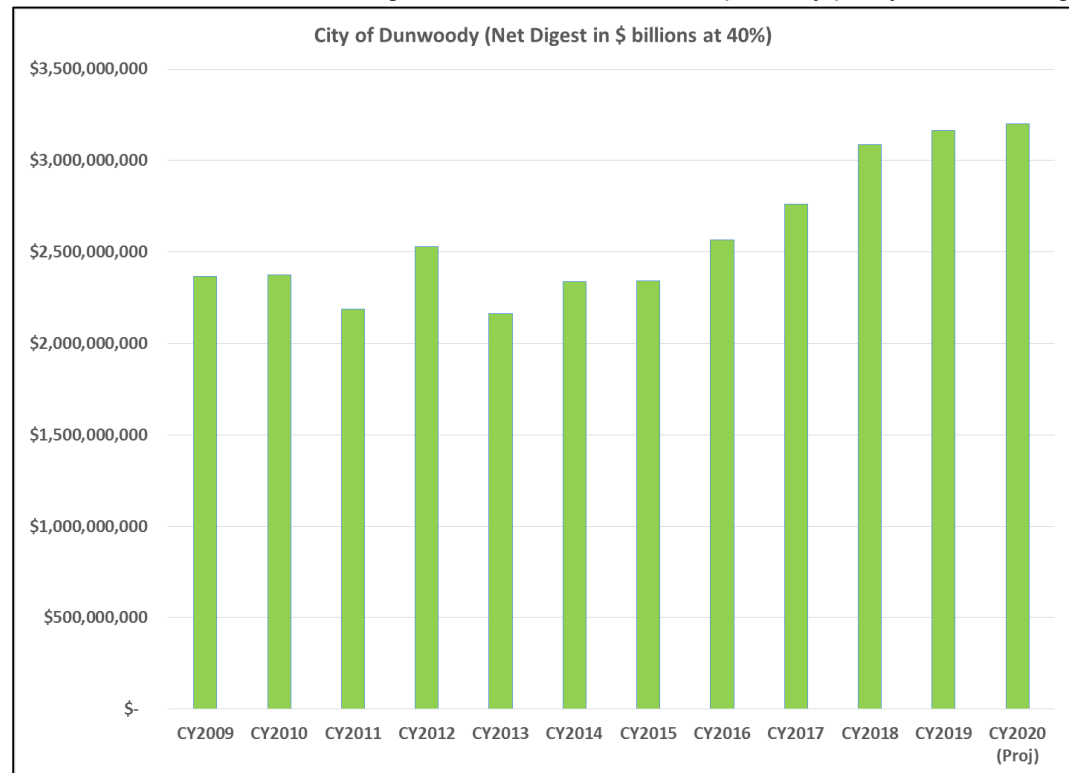

Dunwoody is in a great financial position ending the last completed fiscal year (FY 2018) with \$12.7 million in unassigned reserves. Reserves are one of the key indicators of the financial health of any municipality. This represents 43.9% of expenditures and transfers out for that year. In layman’s terms, this means the “check book” of the City has five months worth of funding, above the four months required by policy. This funding is to help the City weather any storm. Even with adequate reserves, the City must start having conversations about key challenges as it enters its second decade.

- Digest growth increasing but at a slower rate...**

Over one third of the proposed FY 2020 Budget will come from property taxes. The tax digest of the City has recovered from the Great Recession, but the growth rate is starting to plateau. The gross value of the digest in total broke \$4.0 billion in 2019, however, exemptions also hit an all-time high of \$882 million. This means that 21% of the total value of property in the City exempted. These exemptions decrease overall revenue by approximately \$2.4 million annually, almost approaching 10%.

- Expanding unmet needs....**

Even though this budget is balanced and several additional services were added or expanded, several needs were not met. The Police Department had two sworn positions fully funded in the proposed FY 2020 budget, however there is a growing need for a four person Special Investigations Unit, consisting of one sergeant and three detectives. The Parks Department is proposed to expand contractual staff for programming by 1.5 FTE’s however, they also requested an additional \$440 thousand of operating expenses which were not recommended due to financial constraints. Going forward, the City must start having discussions about the expansion of services now that the city has added Park and there is continue commercial growth increasing the daytime population of Dunwoody. Community Development did not request additional code enforcement officers in this budget, but discussions were had that in FY 2021 the need will arise for additional staffing. Also, even though SPLOST (a penny sales tax for capital needs) has shown great direct benefit to the citizens in terms of transportation and public safety capital projects, there will almost always been more needs than funding.

- **Behind the scenes costs....**

The proposed General Fund budget of approximately \$25.6 million is 40.4% personal services (\$6.7 million in salaries and \$3.6 million in benefits). For each 1% increase in salaries, the total cost to the General Fund is \$75-80 thousand. Dunwoody must keep competitive to attract top public safety officers (the overwhelmingly portion of employees) and other staff.

- **Funding mechanisms.....**

The proposed FY 2020 budget directly pays for almost \$800,000 of projects proposed when the Hotel / Motel Tax was increased to 8%. That is the maximum amount affordable on a pay-as-you-go basis. The decision whether or not to complete the various Hotel / Motel projects does not have to be decided with the approval of the FY 2020 Budget, as it can be modified during the year, but the City need to review the total project list this tax is intended for and review alternatives of pay-as-you-go, long-term, or a hybrid method of financing.

## 2020 Summary

By addressing the need for a sustained approach to economic investment and planning and closely matching service levels with community expectations, the City developed the proposed FY 2020 Budget in a manner consistent with previous years of successful stability. The city accounted for important public safety, infrastructure and quality of life initiatives to create a healthy and prolonged strategy for financial and operational prioritization. Dunwoody has an established history of sound management practices and the FY 2020 Budget continues to serve in that manner. The FY 2020 Budget seeks to establish a balance between quality services and financial reliability.

A continued approach of fiscally conservative policy and spending creates a stronger city, equipped to handle future uncertainties. Coupled with organized planning and the ability to leverage specialized funding sources the City can effectively bring about a better Dunwoody. We look forward to reviewing and discussing the FY 2020 Budget proposal over the next two months and appreciate your thoughtful input throughout the process.

Sincerely,

Denis Shortal  
Mayor
